DISTRIBUTIVE POLICY

POLICY

A **distributive policy** is a statement on the distribution of goods, services and benefits to the membership, including members of the governing structure. Additionally it includes distributing the cost amongst the members of the Association.

- (A) The endorsement of a distributive policy shall require the signature of at least two signing officers of the Association.

PROCEDURE

1. The following stages of a policy cycle shall serve as a guiding principle for policy development:
 1. Identification;
 1. Any member of the Board or Executive may bring forth a specific subject matter that may require action.
 2. Consultation;
 1. Any member of the Board may proceed with consultation within the Association governing structure, however consultation with stakeholders shall be conducted only under the approval of the President or by a Board majority vote.
 3. Policy Formulation;
 1. Any member of the Board or President may develop or appoint any person to develop a policy.
 2. The Board or President reserves the right to include any additional resources in the policy formulation process.
 4. Decision;
 1. A final decision to endorse the policy shall be determined by the Board of Directors.
